For the Attention of Mr F J Blacombe

Dear Sirs,

May we take this opportunity of thanking your company and especially Mr Brian Caplan and Mr Gordon Lamb who presented our Insurance Claim to the Sun Alliance after the unfortunate fire at our Newburn premises, with the most professional expertise.

The outcome of this claim was a satisfactory conclusion for both parties and our Chairman Mr D M Blewitt would like also to reiterate the comments above and thank your staff for a most efficient job well done.

If in the future your services are required, God forbid, may we point out that we would have no hesitation in acquiring your most valued assistance.

Once again many thanks for your help.

Yours faithfully
