Re: Hail Storm Damage Claim
Phoenix, Arizona

I want to personally thank you and your team at The Greenspan Co./Adjusters International for your assistance in our insurance claim settlement. Your personal efforts in negotiating and achieving final resolution to this claim is most appreciated. We would not have gotten what you and your team were able to negotiate on our behalf. The team of experts The Greenspan Co./Adjusters International has greatly assisted us in determining the true scope and cost of damage repair work.

The Greenspan Co./Adjusters International, and you conducted yourselves in the utmost professional manner throughout the claim settlement process. Your knowledge of the insurance policy and your negotiation skills enabled us to obtain a significantly higher settlement than was being offered by the insurance company. I would be happy to recommend you and your company to anybody and definitely retain your services again should the need ever arise.

I appreciate your hard work very much and thank you and your team for the outstanding settlement we received.

Sincerely,

Jay Sehgal
