Dear Sir:

I want to take the opportunity to thank Adjusters International and especially yourself in the professional manner in which you handled our insurance claim at Old Cowtown Museum.

As you are aware, Old Cowtown Museum is comprised over 60 historic structures of the 1880 era. Churches, barns, schools, grain elevators, etc. were severely damaged by high winds and hail during the June 19th storm. Had it not been for your firm, it would have been very difficult if not impossible to have ascertained in a logical orderly manner the extent of the damage and then making sure nothing was missed. Your firm made it much easier to get our loss settled and in a timely manner.

Again, it was great working with you and hope that a disaster of this nature does not occur again, but if it does, I would hope that Adjusters International is involved.

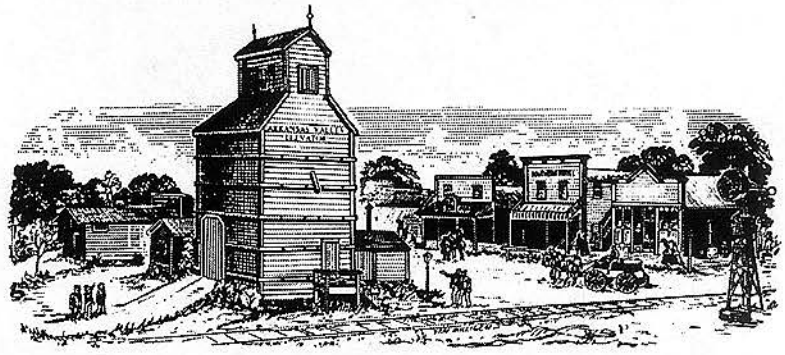

Sincerely,

DONDLINGER & SONS CONSTURCTION CO., INC.

Dear Sir:

We finally received a check last week for $32,280.00 from the St. Paul Insurance Company covering damage to artifacts during the June 19, 1992 hail storm. As a result, I am pleased to forward this check to you in the amount of $1,291.20.

I have enjoyed working with you. All of us at Old Cowtown will be eternally grateful to you for assisting in getting a decent settlement for the damage we incurred. Bids have been awarded for roof repair and are out now for paint and siding repair, so we are hopeful all will be restored by years end.

Sincerely,

Hugh
