Dear Bernie and Ed:

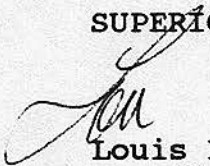

I want to tell you how much we at Superior appreciated working with both of you and your staff during the completion of the fire loss project. You are both to be congratulated for demonstrating your expertise in an area that is foreign to us. The completion of the insurance claim with Factory Mutual was highly satisfactory to our company. That is a credit to your hard effort and keen knowledge in this very specialized field.

Please convey my best to Herb and your other associates who contributed to the final successful completion of our fire loss on Raymer Street.

All good wishes to both of you for a happy and successful 1992.

Sincerely,

SUPERIOR INDUSTRIES INTERNATIONAL, INC.
