Dear Richard,

This is just a note to thank you and your staff for the help you have given me on my fire loss claim against the Maryland Insurance Group.

Orlando Villavicencio was especially helpful in building my inventory of personal property and establishing its cash value.

Your guidance of my architect, Carol Tink, and my contractor, Jerry O. Myers, Jr. made the Scope of Loss report accurate and easily understandable.

I believe your work made our final settlement at least 30% greater than I could have done alone.

Very truly yours,

Bill
