Dear Sid,

Thanks to your company and especially the outstanding work of Arnie Abramson, we are still in business after being devastated by a fire that totally destroyed our store on December 15, 1982. Your handling of our claims enabled us to keep the store operating in temporary quarters and make arrangements for rebuilding on the original site. On May 23, 1983 we reopened and business has been better than ever.

Sincerely,

Henry Lipson
