Dear Mr. Abramson,

We are taking this opportunity to express our appreciation for your efforts in supporting Continental Currency Services, Inc. ("CCS") with its corporate insurance matters.

You have been most successful in recovering all the monies owed to CCS and, in some cases, even exceeded our expectations. Your professional manner and thorough follow-through has provided smooth, efficient and prompt resolutions to our claims.

Again, thank you for your efforts and we look forward to our continued association.

Sincerely,
