Suite 300
Los Angeles, California 90010-0025

Dear Arnie,

Gerald Bauman and I want to thank you very much for all your hard diligent work, expertise and talents which proved to the insurance company our earthquake damage was serious, true and valid. We are so pleased with everything.

It took me two and a half years fighting to get nowhere and you got it all finalized within months. Again, our many thank.

Sincerely yours,

Tom Harris and Gerald Bauman
