To whom it may concern,

My experience with The Greenspan Co./Adjusters International has been nothing short of spectacular. From the start, all the pressure was lifted off my shoulders. In fact, I had not slept for almost a week until I hired Greenspan Adjusters International. Working with Chris Glenister, Jennie Schultz, Jim Warren and the amazing Paul Migdal produced results beyond my wildest dreams. We started with one restaurant in a downtown location and by working with Greenspan Adjusters International, quickly moved to a highly visible freeway site less than three months from the devastation of a building fire. We are now opening a full service Bakery Café in the original location and keeping the restaurant at the freeway location. None of this could have happened without the expert team at The Greenspan Co./Adjusters International. I even have some money left over after all is said and done. I wholeheartedly recommend the services of The Greenspan Co./Adjusters International.

Sincerely,

Vincent DeAngelo
